WHITTAKER WELLNESS IS RECRUITING NEW DOCTORS

Benefits:

- No investigations or lab work need to be ordered
- Low overhead rate
- Minimal paperwork- write notes during sessions, close chart at the end of the hour and you are done!
- No results to check, scripts to refill (unless you prescribe), or forms to complete.

Job Requirements:

- Training in cognitive behavioural therapy (CBT)- easy to access, and very inexpensive (suggested sources supplied on request)
- Any additional training is not required but welcomed- DBT, EMDR, MDPAC medical psychotherapy training, internal family systems, emotionally focused therapy are examples.
- Passion for mental health and compassionate 'bedside manner'
